ROCKING ON THE RAILS

A CONDUCTOR DISCOVERS THAT RIDING ANOTHER GIRL IS THE BEST WAY TO GET WHERE SHE NEEDS TO GO

It was an ungodly hour of night when I appeared at her door, one of many doors on that sleeping car. All was quiet; most of the passengers aboard were asleep. Heavy iron wheels rolling over an endless length of iron tracks with a soft clacking sound was all I could hear. Checking the number on the door a final time, I knocked almost inaudibly as promised earlier.

"Come in, please," a clear, soft, and husky feminine voice called from within.

I did, pausing at the door's threshold. I found her sitting alone on the vinyl seat near the bed, beneath dim lighting. Her carelessly removed skirt and blouse lay in a pool on the floor. An empty glass rested near them. She was very lovely; from the first moment I saw her, I'd had the impression she was an actress or fashion model. I spoke to her in a low tone, my voice calm, professional. "I'm just checking to see if you're okay. Are you, Miss?"

"I'm fine," she purred. Her smile was dazzling. She was wearing only a very sheer pink lace bralette and matching G-string bikini panties. Her thin red lips were curled invitingly, and I was warmed all over by her presence. "And the correct term of address for me is 'Ma'am', not 'Miss'. And yes, I'd like you to help me by bringing me another drink, please."

I smiled wryly. At half past midnight, I had noticed that she had consumed too much champagne in the dining car. I literally had to carry her to her sleeping quarters, and left her with the promise to return later. I was really surprised to find her still awake. I had no doubt that she was still intoxicated. To begin with, she was mistaking me, the train conductor, for a waitress.

"I'm sorry, the bar has closed," I replied. She reclined in her seat, facing me with her legs parted and I couldn't help but see her small, high-pointing breasts. Her big nipples bulged erectly against the filmy fabric. Without conscious thought I noted her sexy bikini panties, and a sudden wild shiver rushed through me when I considered the treasure concealed beneath the garment.

"Oh, dear." She exhaled a short sigh of regret. I completely entered the room, closing the door behind me. Maybe I'd help her get into bed and sleep off the effects of the champagne. She possessed such soft blue eyes, and a small, sharp nose. A thin film of perspiration made her skin glow with healthiness. Fine, wavy hair the color of honey settled wonderfully around her youthful face, flowing on her shoulders. I figured her age to be in the mid-thirties. I was in my late twenties, but nowhere near as attractive.

As far as I was concerned, another drink was the last thing she needed at this time. But she asked, "Isn't there anything you can do?"

"No, I'm afraid not, Ma'am."

"Call me Clarissa," she breathed. I stared again at her smooth, parted thighs. But why? I wasn't that kind of girl, aching to get into another girl's pants. I'd never felt the urge before, but here I was, starting to think such hot, forbidden thoughts. Her voice broke into my musings. "All my friends call me Clarissa."

"Okay, Clarissa...let's see if we can help you get safely into b—"

I paused in mid-speech, unable to remove my eyes from her as she silently reclined a little farther. The lids

of her eyes seemed to become heavy, dreamy, as her head rolled back to rest against the seat cushion. Her legs kept parting wider, the lower she reclined. And the lower she sat, the more I could see it...the soft, puffy mound of her cunt right through her panties, so beautiful and inviting. The total picture was so lovely that I was absolutely stunned, watching as if I couldn't get enough of it. I wondered if she was trying to tell me something.

"You want to get me into bed?" The red-tipped fingers of her hand moved slowly, to rest on the smooth, flat surface of her tummy. Idly she began to caress the area of her navel, teasing the tiny hairs just below it while she breathed. I found it hard to gather my thoughts. My gaze became rapt as I could only observe the fingers moving down slowly, openly to the lace waistband of her panties. Another strong pang of hot excitement ran suddenly through me, impossible to ignore now. What was happening here, I wondered. She asked again. "You wanna...tuck me in?"

An easy question, but not so easy to answer, as my lustful mind swam with thoughts. I didn't know what was going on; all I knew was I had this fantastic urge to hold, kiss, and touch her all over. The feeling was wild and undeniable, and I grew incredibly wet. Never had I experienced such a powerful sexual attraction for anyone. Filled with surging physical emotion, I stood at the door of decision, a little bit scared as I watched her fingertips teasing the elastic band, then slipping under it.

"Um...maybe I'd better le—"

"Nonsense!" she interrupted me, letting her fingers slide into the fine golden hair of her cunt mound and linger there, as if she were deciding whether to go on or not. Her movements were those of one who had no inhibitions, while I swallowed nervously, barely able to breathe. What did I think I was doing? Did I forget who I was and where? And most importantly, did I really have the nerve to cross the line I'd never dared to cross before, with a total stranger? I was very attracted to her, but did I really want to...tuck her in?

I kept looking at her, my curious stare traveling up her well-curved body from her hot cunt to pause at the excited nipples of her firm breasts, which were still restrained by her mini-bra. Finally I let my eyes rise to her wonderful smiling face. Our eyes met for an eternal moment and became locked in an open, very mutual stare. I blushed and teased my own blond locks with a nervous finger, a little embarrassed. I knew she could read my intense inner desire for her.

"What's your name, honey?" she murmured, keeping her eyes on mine. Her fingers caressed her soft, hot triangle, moving ever so slowly back and forth near the top of her cunt-slit.

"Lil...um, Lillian," I whispered, as my body began to tremble. My gaze dropped boldly down to her buried hand again, watching her fingertips reach farther and farther into the skimpy material of her G-string panties. The garment was now so wet that her white fingers were visible beneath it. And I could see two of them hovering just above the hard nubbin of her clit.

"A very pretty name." Another hot pang of excitement jolted me when I realized that she was the type who got turned on by being watched. I knew I should've bolted out the door and fled, but I couldn't. I was absolutely rooted to the spot I stood in, feeling strange and so terribly hot. My own nipples had grown hard and achy under my blouse, in need of a gentle touch. I was grateful that my uniform jacket concealed them as she spread her legs even more. "A pretty name, for a pretty lady."

"Thank you," I purred, feeling my pulse start racing and my breathing grow labored. Her breaths matched mine, but her expression remained relaxed as her fingertips were caressing the entire cleft of her cunt, fondling

the wet pink lips within. She was now moving them in tight, very slow circles over her stiff clit, manipulating it in a practiced manner that made me gasp with need. Her red lips were parted a little and her eyes closed as the delicious feelings gradually mounted. But did I dare to go on?

She groaned softly, her free hand reaching upward to her breasts. Her drifting fingertips slid over them both, gently massaging the nipples through the thin material of her bralette. Before my startled gaze, they began to grow longer, thicker as they strained against her palm.

A hot shiver ran through me; I knew how sweet such caresses could be whenever I touched myself in private. To watch her was like looking into a mirror—I remembered being so hot and ready. Her nipples seemed to get even harder as her fingertips traced the throbbing nipple in slow, provocative circles that made my mouth

water. I knew that if I didn't leave right now, I couldn't be responsible for my actions. Breaking out in a sweat, I turned my face away from the irresistible spectacle.

"So nice," she panted, touching herself, making me tremble with need. I looked around the room, acting all innocent, but who was I kidding? I liked what I saw, and we both knew it. Wetting my dry lips with my tongue, I stared as her hips started lunging forward.

As if I weren't even there, she indulged herself, caressing harder and faster, her breathing rapid, shivery. It was going to happen, and pretty soon! Helplessly I stared, so used to being in charge and in control. Now I was at a loss for words and without the power to stop her.

Nor was I sure if I ever really wanted to.

The urge to join her seemed to overwhelm me, as Clarissa began shuddering on the brink of her release. I watched her dip a finger into her steamy cunt once, twice. Her back arched wickedly as she dipped it a third time, drawing in a long, very sharp breath.

And then I stood riveted as she exhaled a long, drawn-out groan of pleasure. Her orgasm blasted wildly through her in a fit of shivery waves. It reverberated uncontrollably, and I was finally able to draw nearer, an expression of concern on my face as she rubbed her cunt. The moment I leaned close, the clean, hot scent of her body filled my nostrils. Her hips were still rotating excitedly.

When the waves faded away, she reclined weakly in her seat. Finally I found my voice: "Are you all right?"

"Sure," she breathed, coming to life again. "But are you?"

Wrapping an arm around her shoulder, I was awestruck and horny, my eyes half-closed, as she let me pull her to her feet. She had drawn her hand from her soaked panties and traced my lips with a finger, allowing me to get a whiff of her cunt's sweet aroma. I began to sigh again and again, my gasps brushing her panting lips as we stood face-to-face. The scent of her breath still had the delicate flavor of champagne, and she gently grazed my lips with hers. Before I realized it, she did it again, and my desire blazed with such intensity that my head swam.

With a sudden pang of concern, I turned my head from side to side to break the kiss. I had to clear my head, but I couldn't, as a wild thrill raced through me. I couldn't believe I had allowed another girl to kiss me like a boy, and now I could feel her fingers unfastening the brass buttons of my uniform jacket. I couldn't resist her, nor did I want to, as I felt the jacket being slipped from my arms to the carpet. It was happening, and I was going along for the ride.

Clarissa made me feel so warm, so wanted, so safe. I could feel her stiff nipples brushing mine through my blouse and knew she wouldn't stop until she had me naked. "Wh—what are we...doing?" I gasped, feeling her slowly rotating hips grind her hot cunt into mine.

"You're tucking me into bed," she purred. "I mean... that's what you came here to do, isn't it?"

"Yes."

She kissed me again, this time longer, with more passion. She made me open my mouth, excitedly tasting my trembling lips. At the same time, she took my hands and made me embrace her. Our bodies seemed to melt into each other, and I savored this hot and very unique experience. Flowing with it, I closed my eyes completely and let my palms move downward, smoothing over her delicious, high buns. Her tongue searched for, located, and swirled around mine until I was shivering breathlessly.

"But I'm still on duty."

"Mmmmm...you sure are." Her hands were so sure, so knowing as they unfastened my blouse. My swelling tits thrust forward, eager to be released from my confining bra. She pulled the tail of my blouse out of the waistband of my skirt, and it soon joined my jacket. Excitement and the anticipation of what would happen next had me giddy.

I could've swooned the moment she reached up, her palms cupping the smooth, firm weight of my breasts through my bra. Deep red nails traced the swell of my upstanding nipples until I gasped, the juices of my desire helplessly overflowing into my panties. I let her fondle them. The room had become so hot, I ached to be naked and in her arms. Clarissa kept on rubbing her gyrating hips against me, repeatedly conveying her unspoken intentions. Now she was releasing the button of my skirt, pulling at the small zipper tab, and I moaned softly, so ready.

The loosened skirt slipped from my hips. We were nearly naked together, and my hands were starting to develop a mind of their own, caressing her smooth, creamy skin. I wanted her now like I'd never wanted anyone

before, unable to stop my constant panting as she released the clasp of my bra. My back arched a little when she peeled the bra away from my bouncing breasts and slipped it off my arms. Before I knew it, she had taken the weight of my boobs into her fondling palms, letting her fingers tease the hard pink nipples. A low growl of desire rumbled in my throat and—oh, no!—I was pressing my cunt into hers in a brazen manner.

“Yes, honey,” she purred like a cat, drawing me out until I felt willing to do most anything with her. “Just let go.”

I felt her tongue slipping into my mouth, the tip swirling as she slipped a hand down to the juncture between my trembling thighs. She was feeling my hot cunt mound, boldly massaging lower and lower. I moaned, my hips moving in little circles of need, wanting her to continue. I’ve had a few boyfriends in my life, but never have I felt so turned on by them, so free to act out my deepest desires as I now did with her.

Such feathery, knowing fingertips were rubbing my cunt, touching the slippery pink lips and stiff clit through my panties. The steamy, circular caresses kept stoking my inner fire, and I groaned into her mouth while savoring the sweet, moist contact of our flesh.

With growing confidence I parted my legs a little farther, letting my hips revolve in a sensuous rhythm with her fingers. Really getting into stimulating my cunt, she slipped the panties’ drenched crotch aside and pressed her fingers into my wet hole, then twirled her fingers a little harder and quicker on my hot clit. I moaned urgently, my hips thrusting forward as I stared through half-closed eyes at the sight of Clarissa’s lips kissing my left breast. I could feel the moist heat of her tongue sliding excitedly around the pink flesh of my hard nipple, each lick around the dark halo igniting every nerve ending in the area.

Then she was taking the nipple deep into the warmth of her mouth, sucking it the way I like it. The sensations were soothing and wild all at the same time! Wicked, delicious tingles of my oncoming orgasm kept getting stronger, and I found it difficult to keep standing when she repeated her acts on the other nipple. I began to gasp as if on the verge of a major explosion, and she led me to her bed.

“You’ve gotten me so excited,” I panted with urgency, climbing onto the soft mattress and rolling onto my back. Watching me with caressing eyes, Clarissa joined me, getting very close. If we were being overheard, I no longer cared. I was so hot at that point that all I wanted was just to reach a very intense orgasm right away. Leaning over me, she began to kiss a wandering path down my body, lingering just below my navel.

“I knew you liked me,” she whispered, smiling. I was already bucking my hips, conveying my passionate, unspoken message of desire. Her gentle kisses on the sweaty skin of my quivering lower belly had me almost there. I had to fight back the wild urge to scream in pleasure, by holding it in my throat as a stifled growl. My breaths were coming fast and hot, my eyes closing as I started to

swoon on the verge, and in response I carelessly threw my long legs wide apart. Kissing the wet lips of my cunt with light pecks, she abruptly let her tongue stretch erotically into the pink heat between them. The tip of it met the raging flesh of my clit, slowly grazing it into orbit.

“Oh, yeah! That’s it!” I groaned in abandon, feeling the shattering atomic blast of my climax instantly charge through me. I didn’t mean to, but I just couldn’t control the sudden rude thrusting motions of my hips, caused by my desperate need to maintain the sweet contact of her hungry mouth with my cunt. I reached down; my hands clutching at her shoulders. I moaned joyfully as wave upon shivery wave swept through me. I soon collapsed in a heap, weak but hardly sated, my chest rising

and falling with my deep breaths as she peeled my panties from my body.

“You made me come,” I sighed happily, rolling her onto her back. “No girl has ever....”

“I may be the first, but I doubt that I’ll be the last.” She stretched luxuriously and smiled. “I’ve been doing this with pretty girls since long before I got married, and I have no intention of stopping. I love to make girls feel good.”

“But we’re perfect strangers.” I reached over and began to caress her.

“Yes, I know, Clarissa whispered, her beautiful body starting to respond as I let my gentle palm slide across the firm twin peaks of her lush breasts. My plan was to slowly feel her up right through her lingerie, then make her shiver with pleasure after getting her naked. “That’s what excites me so much!”

"Come closer," I breathed as the room's temperature seemed to rise all of a sudden, and we became feverish in our hunger. I leaned over to kiss her, to give her some of the same intense pleasure she had so patiently given me. Tasting her tongue, I reached to slip the delicate straps of her bralette from her creamy shoulders. Arching her back, she allowed me to release the clasp and tug the filmy garment from her body. Her pert breasts sprang into view, the long, dark nipples standing up nice and hard.

"Oh, Lillian," she purred in a husky tone, "you're so tender."

I couldn't reply—I was busily kissing a trail of love to an erect nub. Her soft groan of approval reached my

ears as I began to kiss, then suck each one into my hot mouth in turn, until she was writhing in her need. My wandering fingers traced wicked patterns down her body, leaving no area untouched except for the place she most wanted me to touch. She opened her legs very wide, lying flat on her back, and her hips lunged off the mattress in the effort to make contact with my slowly massaging hand. I ached to tear off her panties and get into eating her cunt, but I knew it was best to make her wait, no matter how provocatively she twisted in bed.

"Someone's kinda eager," I huffed, letting my fingertips tease that sensitive area of skin at the waistband of her panties. She groaned urgently, her crotch leaping upward, but I still wouldn't touch it. I knew she was hot and horny, that she was all wet and swollen, that just a graze of my finger on her clit would set her off, so I was very careful. I wanted to do this just right. I kissed the

other hard, nearly crimson nipple, licking the halo surrounding it like the finest ice cream cone available as she fought to catch her breath.

"Honey," she begged with eyes tightly shut. "Honey, please."

My own body was responding to her raging lust, and I felt that wild urge to come as my hand inched into the tiny waistband. Her cunt rose sharply off the bed the moment my fingers slid slowly over her humid cunt hair. My clit was pulsing excitedly as I inhaled our combined sexual scents. Clarissa's jumping cunt drew my caressing hand right to it, and then I was rubbing the full lips of it! The long, hoarse cry of pleasure tore instantly from her throat as she exploded, her body quivering and bucking as my fingers located her rigid love pearl, twirling it erotically.

"I'm gonna do it...oh, again!" she sighed wantonly, allowing me to give her pleasure. I pressed a stiff finger into her wet hole, then brought it back to her clit and she gasped, feeling that wild throbbing of her climax rushing through her. By now I was all hot and excited again, aching to have her mouth on my cunt. She made me so wet that as soon as her tremors grew calm I peeled her panties off and rolled on top of her.

Clarissa placed a pillow under her head as I parted my legs as wide as I could, placing my own face in her moist bush. A horny groan reached me as I felt her palms sliding over my soft buns, pulling my cunt down to her mouth. I was so eager to taste her juices and could wait no longer. Lowering my mouth, I let my tongue slither out and began licking her clit with torrid strokes, tasting her cunt, loving her smell. She groaned and stuffed her face into my hot cunt in response, eating my clit expertly.

I moaned along with her, licking, being licked and sucked. A fingertip nudged its way into my hole, moving in and out until I was delirious with pleasure, hovering at the brink of another wild explosion. My hips became fluid as I fucked my cunt down to her, feeling her tongue swirling around my clit until I couldn't stand it. At the point of coming, I let out a shuddering yet muffled wail and sucked her pink lips into my mouth as far as I could. She shoved her tongue into my hole, and I came so strong!

I momentarily broke contact with her cunt with a sound smack of my lips.

"Give it to me!" I demanded hotly, thrusting my face back down as I shivered in pleasure. She lifted her legs very high, gyrating her hips as if she'd lost her mind. My tongue plunged into her hole in a sensual fuck rhythm, grinding my face against her wet heat. Her thrust grew faster, erratically shoving upward again and again until she screamed into my crotch. The wicked detonation took possession of her, thundering through her. I continued licking.

We remained together for another hour or so; then I got dressed and left the sleeping car. I knew I'd see her some time in the future.

Traveling by train is by far the best way to ride, take it from me...

BREANNE BENSON

THE HIGH SOCIETY INTERVIEW

PORN VALLEY, CA—BREANNE BENSON IS ONE OF THOSE GORGEOUS GIRLS WHOM WHEN YOU LOOK AT HER YOU IMMEDIATELY ASK, "DOES SHE DO PORN?" FUNNY THING, OFTEN THE MOST PHYSICALLY ATTRACTIVE GIRL IN THE INDUSTRY ISN'T ALWAYS THE MOST POPULAR, SOMETIMES SHE'S NOT ONE OF THE BEST PERFORMERS EITHER, NOR HAS SHE DEVELOPED THE HARDCORE FOLLOWING THAT THE STELLAR STARS HAVE—BUT BREANNE BENSON *ISN'T* YOUR TYPICAL PERFORMER. ONE OF LA DIRECT'S TOP MODELS, BREANNE HAS BEEN IN THE BUSINESS SINCE 2003, BEFORE RETIRING IN 2004. HOWEVER, SINCE HER LONG-AWAITED RETURN, BREANNE HAS GONE ON TO GRACE THE COVERS OF NUMEROUS XXX DVDS AND HAS BEEN FEATURED ON THE COVERS AND INSIDE SEVERAL OF THE MOST WELL-RESPECTED PORN MAGAZINES IN THE WORLD; ADDITIONALLY, TODAY SHE IS ONE OF THE MOST SOUGHT-AFTER STARLETS IN THE INDUSTRY. A TREASURED "REGULAR" ON SEVERAL STUDIO CAST-LISTS, BREANNE IS ALSO JUST AS BUSY OFF-SET. SHE'S A FIXTURE AT ALL OF THE ADULT TRADE SHOWS, INCLUDING AVN, EXXXOTICA LA (NY, CHICAGO AND MIAMI), WHERE LINES OF FANS FORM JUST TO RECEIVE AN AUTOGRAPH AND A MINUTE OF BREANNE'S TIME. REMARKABLY, THIS HARDCORE STARLET IS VERY APPROACHABLE, SOMETHING WE WISH WE COULD SAY ABOUT MORE ACTRESSES IN PORN. SO DON'T BE AFRAID TO WALK UP TO BREANNE THE NEXT TIME YOU'RE STROLLING AROUND THE CONVENTION FLOOR. YOU MAY JUST BECOME AN INSTANT FAN—JUST LIKE WE DID.

HIGH SOCIETY: *When did you realize the power of your sexuality?*

BREANNE BENSON: I realized this at a very young age. I think most girls do.

HS: *What's the best thing about being a porn star?*

BB: The best thing about being a porn star, other than having sex, of course, is having the opportunity to fulfill all your sexual fantasies. You also get to experience things that you thought you would never be into and after you try them, you think to yourself "Wow! That was intense, let's do it again!" You learn to be comfortable with your sexuality, which I think is amazing!

HS: *What's the worst thing about being a porn star?*

BB: The worst thing about being a porn star is dating. It takes a very strong and secure man to date a porn star. I can only imagine what it must feel like having your girl all over the Internet and having sex with other men.

HS: *Where would you rate yourself on a scale of 1 to 10?*

BB: Hmmmm, I'd say I'm about a 7.

HS: *Oh, come on, you're much better than that! What would you say is your best and worst physical feature, and why?*

BB: My best feature would have to be my natural breasts. Granted, they don't look as good as when I was 19, but hey, they still look pretty decent. My worst feature would have to be my skinny little chicken legs. [Laughs]

HS: *Are you a very dominant or submissive person?*

**"I'm a size queen! I'd be very
happy with a 6-inch cock,
however, I prefer 7 or 8 inches."**

BB: I can be both. I have my moments.

HS: *Have you ever been approached to be a contract girl, and if so, would you consider it or do you enjoy being a freelancer?*

BB: I did come close to a situation like that [being a contract girl], but at the time I wasn't quite ready for it. If the opportunity were to happen again, I just may consider it.

"I love sex and I love trying new things, but having five dudes around me would be chaotic and just too much jizz for me. Two guys are plenty!"

HS: *If you could change one thing about yourself what would it be?*

BB: I wish I wasn't so stubborn. I would change that about me in a heartbeat.

HS: *Do you have anal sex in your films and if not, do you plan to?*

BB: I don't do anal on film; will I in the future? I'd never say never. I'm sure that time will come at some point in my career.

HS: *Have you had anal in your personal life and if so, what was your first time like?*

BB: Yes I have. My first time wasn't so great.

HS: *How often do you have anal in your personal life and under what circumstances will you do so?*

BB: I rarely have anal sex in my personal life; I need vodka for a cock to go in my ass.

HS: *Have you ever done a gang-bang on film or in your personal life?*

BB: I've never experienced a gang-bang, on film or in my personal life. Honestly, it's just not my thing. I love sex and I love trying new things, but having five dudes around me would be chaotic and just too much jizz for me. Two guys are plenty!

HS: *Do you masturbate often?*

BB: Abso-freaking-lutely!

HS: *Who or what do you think about when you masturbate?*

BB: I usually think about the person I'm dating at the time, or the person I'm dating having sex with another girl while I watch.

HS: *What sexual fantasies have come true for you since you started working in porn?*

BB: Orgies, some others too.

HS: Describe the hottest scene you've ever performed in.

BB: I've been involved in quite a few hot scenes. I don't like romantic scenes. The kinkiest scenes that involve a little force, dirty talk, and a lot of spit are the hottest ones in my opinion. Fucking is more pas-

sionate to me than lovemaking, if you know what I mean.

HS: Name a girl in the business that you would most like to have sex with, and why?

BB: I've had a crush on a few girls in the industry, but the one that stands out the most right now is Sandy [from Club Sandy]. I finally got to have sex with her!

29868

**"I rarely have anal sex
in my personal life; I
need vodka for a cock
to go up my ass!"**

She's not only hot, but she has an amazing personality.

HS: Describe your kinkiest sexual fantasy.

BB: This might make some people upset, but I really want to have sex in a church. I guess the idea of doing something "wrong" intrigues me. I feel terrible for even thinking this. [Laughs]

HS: Have you had one-night stands?

"This might make some people upset, but I really want to have sex in a church. I guess the idea of doing something 'wrong' intrigues me."

BB: I've had one-night stands before, but not with a complete stranger. They were always with someone that I had at least met once or twice before. I haven't had that many and when I did it was spur of the moment.

HS: Where's the hottest place you ever had sex?

BB: This is going to sound boring, but I'm gonna have to go with bathrooms. Every time I've had sex in a bathroom, it's always been hot. You're kind of in a hurry because you're not supposed to be in there and since

it's always so random, clothes are being ripped off. I like it when things aren't planned and they just happen at any moment.

HS: What size cock do you prefer?

BB: I'm a size queen! I'd be very happy with a 6-inch cock, however, I prefer 7 or 8 inches.

HS: Are you a true bisexual or do prefer

one gender more than the other?

BB: I'm bisexual. I do prefer men, but I have been in relationships with girls, as well. They can be kind of clingy, though. [Laughs] Maybe that's why I prefer to be in relationships with men.

HS: Describe your first sexual experience with a girl.

BB: It wasn't that great. The older I got, the better my experiences with other girls got.

HS: Who would you cast in your dream, all-girl adult video?

BB: Sandy [from Club Sandy], Belladonna, Alexis Texas, Kirsten Price (who's one of my best friends), Riley Steele, and myself. That's all I can think of now off the top of my head. Oh, and Sunny Leone too! [Laughs]

HS: Describe your favorite sex act.

BB: My favorite sex act would be me being

29864

29860

29867

29821

submissive and having the guy take total control. I like it when things get knocked over and clothes are being torn.

HS: What's one sex toy you can't live without?

BB: My Pocket Rocket! It's small and does the trick very fast.

"I wouldn't be where I am right now if it wasn't for my fans."

HS: Which of your movies are you most proud of? Do you have any big films coming out soon?

BB: I don't watch any of my movies. I get weirded out seeing myself on TV or, even worse, hearing my own voice. The most recent movie I just shot, in which I play the lead role is *Lies: Diary Of An Escort* for Sunlust Pictures. It will be released sometime in September.

HS: Name one parody film that hasn't been made yet that you'd like to star in, and what character might that be.

BB: *Sex and the City*. I'm pretty sure that one hasn't been made yet. I don't look anything like Carrie [Bradshaw], but I would love to play her.

HS: Name one character from a XXX parody film you wish you could've played.

BB: I wish I could have played one of the Angels in *Charlie's Angels*. I actually auditioned for the part, but didn't get it.

HS: Name one superpower you wish you could have.

BB: To be invisible.

HS: What does the future hold for Breanne Benson?

BB: I take things one day at a time. Right now things are going great for me. I'm very happy with the direction my career has taken me so far. As for the future, I hope to continue doing well in this industry and maybe—possibly—take it even further by starting something on my own and making a real name for myself!

HS: Do you have a website, Twitter, Facebook, Myspace page where your fans can reach out and interact with you?

BB: I have a Twitter (Breannebenson) and I have a website (www.breannebenson.com).

HS: Anything you'd like to say in closing to your HIGH SOCIETY readers?

BB: I wouldn't be where I am right now if it wasn't for my fans. As cheesy as that sounds, it's true! I have some really amazing fans and I am very grateful for them. So with that said, I love my fans!

ROXANNA & TARRA WHITE

CLAM SLAM!

Tarra is hyperventilating, her breathing quick and shallow her head spinning. She may lose consciousness. But don't worry, Tarra is in good hands—the delicate digits of Roxanna, who knows just how to revive her friend by finger-popping Tarra's slippery muff. She'll nurse Tarra back to full rosy health with mouth-to-pussy resuscitation, knee-knocking 69, and thigh-slapping scissor sex that will leave both girls drained and breathless.
